Yvonne Cote	

- **Call to Order**
 - Meeting was called to order in the (hot) SRA conference room and via video conference at 7:04PM.
- **Approve Minutes from 5/17/2021 Meeting** (Susan Cameron)
 - Susan made a motion to approve, Jennifer seconded the motion.
- **Executive Director Report** (Mark Davis)
 - See Mark's report posted in the [2021 Executive Director Reports folder](#).

Reopening update

- Significant increase (over 30%) in Masters rowing across the three teams, from 95 in May to 125 in June (5AM has most with 53).
- Masters Novice programs have been added back to each team as a landing place from Learn to Row.
- Masters programs will continue in July, with slight modifications:
 - 5AM: M/W/F at 5AM (no change)
 - Mid-Morning shifting to 7-9am to allow more time for junior programming and take advantage of better water.
 - ECM will focus on land training in preparation for the fall season, and resume team practices in August.
 - Sculling will be offered in July, on Tues/Thurs from 6-8AM.

- Juniors' spring season ended on May 22nd, culminating with a small squad competing at Regionals. Congratulations to Violet Climer-Kennedy and Serena Foster for placing 6th in the girl's double!
- Juniors will run a 5-week summer camp for all abilities and experience levels.

Learn to Row | Row for a Day

- o Success in bringing in new rowers to SRA – Row for a Day programs sold out in June (with 36 people) and are sold out for the remainder of the summer.
- o Junior Learn to Row programs sold out in June, with 120 registrants!
- o Masters Learn to Row still has room in July and August.

Staff updates

- o Welcome Lizzie Mitchell, SRA's new Novice Girls/Masters coach. Lizzie is currently coaching Junior LTR and filling in for some Masters coaches duties.
- o We have also added a number of former SRA junior rowers who will help coach Junior programming and Masters' LTR. They are:
 - Sydney Colburn
 - Megan Culbert
 - Lucy Climer-Kennedy
 - Ellis Evans
 - Cameron Laukatitis
 - Sophia Osborn
 - Logan Ressler
 - Alex Sitzman
 - Lexa Wendl
- o Sad news –Nicky Hughes' (former Junior girl's coach and Masters/ECM rower) son Sean passed away tragically, and she has returned to Australia.

Equipment update

- o Two new Hudson pair/doubles - a lightweight currently named LWT and a heavyweight currently named BFD.
- o Our two new Hudson rec. eights will be arriving in early August.

Looking Ahead

- o July 4-11: No masters or juniors team practices. We will still be running a Masters LTR program.
- o July 12: Masters and Juniors programming starts.
- o The Head of the Charles has been confirmed for Oct 22-24. SRA's 2019 guaranteed entries will carry over to 2021.

• **Covid/Non-Vaccinated Rowers** (Steve Bumstead)

- o Steve and other guests joined the call to share their position on the current policy of not allowing non-vaccinated rowers in team boats and workouts, with the ask of the Executive Director and Board to reexamine the policy.
- o Guests included Steve, Elizabeth Kelly, Nancy Thomas, Sue Ann Spens, and Tanya Bumstead.
- o Steve shared data points on current cases/hospitalizations/deaths and risks for both the vaccinated and non-vaccinated.
- o Guests expressed that given that there's a remote chance of either party (vaccinated and non-vaccinated) contracting the virus, that it's time to move out of the fear zone.
- o At the time of the meeting, Steve had not heard back from US Rowing on their position. Guests on the call expressed the desire for SRA to take a stand and lead the rowing community in allowing vaccinated and non-vaccinated rowers to co-mingle on teams.
- o The Executive Director and Board listened to the request, with no further comment.

- **Finance Committee Report** (Jennifer Teschke, standing in for Ann Taylor)

- **Current status**

- See [2021 Finance Committee Folder](#) for Finance Committee Report, Statement of Financial Position, Statement of Activity, and Budget to Actual Statement of Activity.
 - Statement of Financial Position:
 - Operating cash decreased by \$30K primarily due to the payment of staff bonuses.
 - Fixed assets decreased by \$8K, as Simon sold three of the Maas Aeros.
 - Overall, we continue to have a strong cash position.
 - Statement of Activity:
 - Significant difference between this May and May 2020. Fee revenues went from about negative \$10K to a positive \$50K.
 - Budget to Actuals:
 - Junior fee revenue was under budget as much of the spring revenue came in last month.
 - Masters rowing and Row for a Day provided a nice bump, so you can see that YTD we are on budget for revenues.
 - Expenditures are tracking about \$28K over YTD primarily as a result of the staff bonuses.

- **Looking ahead**

- Next month, the Finance Committee will walk the board through the PPP loan and employment retention credits to enable a more complete understanding of the government stimulus that SRA has received.
 - Also, once there is more clarity on the undergrounding costs, the Finance Committee will work on evaluating our reserves.

- **Note on long-term care tax**

- Ann had a meeting with staff to answer any questions. If anyone interested in learning more, Jennifer offered to share the write-up she did for her job. Since there is a one-time window to opt out this year and the clock is ticking, it warrants a proactive decision.

- **House Committee proposal** (Susan Cameron)

- Objective: Committee will work with Boathouse Manager, Executive Director and other participants on decision-making and project management related to:
 - The initiative to incorporate the mission and spirit of SRA within our home (aka the boathouse)
 - Ongoing maintenance needs
 - Boathouse usage and policies
 - Sustainability and environmental stewardship
 - The Committee will be comprised of Board member chairperson and participant, Executive Director, Boathouse Manager, additional talent brought in on specific projects.
 - Motion to approve, made by Susan. Jennifer seconded the motion.
 - Susan volunteered to chair the committee and will be reaching out to recruit another participant.

- **Development Committee** (Heidi Kelly)

- Heidi shared the needs for additional funding, including building a new dock and providing scholarships, and therefore the need to have an effort focused on development and broader fundraising.
 - She is working to recruit board members to participate, so her ask is to please return her calls. 😊

- **Adjourn!**
