

Sammamish Rowing Association Board of Directors Meeting

Agenda for 2024-09-18

SRA Rowing acknowledges the Coast Salish Peoples as the original stewards of these lands and waterways. This acknowledgment is one small act in the process of working to be in a good relationship with the land, water, and the people who have stewarded it, past and present.

Meeting documents here:

2024-09

Please review prior to the board meeting to help us have a productive meeting.
