 - Yes, there are a lot less cars but it is still inconsistent.
 - Filling up the back first and parking efficiently is key and has shown to be the most effective
 - Have we officially moved to 3 person carpools?
 - Yes.
 - Do we still need to send out a survey?
 - No. people have found groups that work for them.
- Check in with Landon on parking lot lights and new whiteboard
 - Possible use exp girls old board?
 - Buy a new one using JRC money.
 - Adam motions to allocate \$20 of JRC funds to buy a white board for the exp boys team. Landon seconds. The vote passes.

- Banquet Location, budget breakdown
 - Location: Vasa Park works but isn't the nicest. AV equipment is a big portion, could we find a venue that has that included. Must accommodate ~300 people, have tables and chairs. This year it is going to be closer to 400 people. Research needs to be done, everyone come to the next meeting with location ideas and quotes for cost. For the first weekend of June 1-2 so its after regionals but before nationals.

- Gala age requirement
 - 21+ because it is an alcohol heavy event that is not appropriate for juniors.
 - JRC being the volunteers at the gala. 8 people are needed and if you do not want to or are unable give a recommendation name of a senior rower to take your place.
 - 7 of the 8 JRC members are willing to volunteer. We need to confirm with Claire.

Meeting is adjourned at 7:35 pm
