

SAMMAMISH ROWING ASSOCIATION CANCELLATION POLICY

SRA-DIRECTED CANCELLATIONS

SRA's highest priority at all times is to keep athletes and coaches safe. When conditions make practice on the water unsafe, coaches will conduct practice on land if at all possible. In the event of conditions beyond SRA's control that make it impossible to hold any practice, whether on land or water, SRA will cancel practice.

Conditions that may impact SRA's ability to conduct water practice include but are not limited to high wind, fog, lightning, ice on the dock, and flooding that makes the dock inaccessible. Conditions that may lead SRA to fully cancel practice include but are not limited to illness outbreaks, snow events that make driving unsafe, and unhealthy air due to wildfire smoke.

Athletes and parents should understand that decisions to cancel practice are never taken lightly and are always made with safety in mind. Given the financial and logistical considerations associated with the large number of rowers and full practice schedule at SRA, SRA is not able to provide refunds or account credits for practice cancellations and is not able to reschedule practices.
