

## Row for a Day Director

Sammamish Rowing Association is seeking a director for the Row For a Day program. In this critical role, you will organize and run five RFAD events, ushering over 100 prospective rowers through our doors and onto the lake. We are looking for candidates who are passionate about the sport of rowing and have the enthusiasm and organizational skills to bring prospective rowers into the SRA community.

Responsibilities include recruiting coaches and volunteers from our staff and members, handling registration and waitlists, organizing details of each event, and managing guests, volunteers, coaches, and equipment. Planning and executing each Row for a Day involves approximately 20-25 hours per event.

For more information about Row for a Day at SRA, see the [Row for a Day page](#) of our website and check out our [RFAD video](#)!

### Qualifications

- Rowing experience
- Enthusiasm for introducing people to rowing
- Strong organizational skills
- Ability to work on select Sundays for the RFAD events

### Responsibilities

- Run and oversee the 5 RFAD events from April to August
- Recruit staff and volunteers for events
- Answering questions from and following up with prospective rowers prior to the events
- Manage registration, guests, volunteers, and equipment

### Benefits

- Competitive pay
- Room for advancement and adding more responsibilities
- Potential to combine with coaching roles as available
- Discounts on SRA programs

SRA is driven to shape the future of community rowing. We work to inspire a life-long passion for the sport while striving for excellence in everything we do. If you enjoy working hard, value collaboration, and refuse to settle for the status quo, this is an opportunity for you. SRA has nearly 1000 annual participants and 500 regular rowers ranging from middle school to high school and masters, recreational to national champions. Over 30 coaches work at SRA with 8 full-time staff.

Interested candidates should submit a resume and brief personal statement to the Masters Program Director Ethan Currie at [ethan.currie@srarowing.com](mailto:ethan.currie@srarowing.com).
